

SKI THE FRENCH ALPS FROM THE HOTEL 'AUBERGE CAMELIA'

The ski season is nearly here and a very warm welcome awaits our guests. After a hard day on the piste, return to the comfort of our cosy hotel, enjoy a warming 'apres-ski' aperitif at the bar and enjoy a delicious dinner in our restaurant.

Restaurant and Bar

Our traditional Savoyard restaurant serves classic regional dishes of the highest quality, with innovative creations from our chef Fabrice.

In winter, you will eat beside the warmth of Camelia's old wood fired stove and oven.

12 En-Suite Rooms

Our 12 en-suite rooms retain their original charm and character, but are now discreetly equipped with modern facilities, including WiFi which we offer free to our guests.

Just 35 minutes from the spectacular ski slopes of La Clusaz and Le Grand Bornand

The choice of where to ski is yours - Chamonix one day, La Clusaz the next or maybe a half day in Megève followed by a bit of shopping!

If you like a break from skiing or are a non-skier, the beautiful lakeside town of Annecy is just 17km away.

For those of you who prefer alternative ski activities, the famous Plateau des Glières (1,450m) is on our doorstep.

Enjoy cross-country skiing "Ski de Fond", Ski Touring "Ski de Randonnée" or simply a winter wonderland walk on snow shoes "Raquettes".

All equipment can be easily hired locally and guiding can be arranged.

Roger and Suzanne look forward to welcoming you
